**By Julian Pottage, Marc Smith : The Golden Rules of Competitive Auctions (MASTER BRIDGE)** The Golden Rules of Competitive Auctions (MASTER BRIDGE):

Competition brings many benefits or so all the politicians say Bridge players certainly subscribe to the theory These

days somewhere between two thirds and three quarters of all auctions see both sides entering the fray Having a basic knowledge of how to get into or stay in the bidding is therefore a key attribute for success at the bridge table You will often hear rules quoted such as do not double them into the game or leave the five level to the ene About the Author Marc Smith has a special interest in bidding having written many articles on the subject He lives in Southampton Both he and Julian Pottage write regular columns in the bridge press and both are bridge Grand Masters Julian Pottage is the aut
