By John A. Tracy : Accounting For Dummies Accounting For Dummies:

5 of 5 review helpful Unlike Accounting for Dummies this one isn't for the newbies. By nign I agree with reviewer Adult Learner2 ace_magician and advice against buying the book if you're new to accounting and expect to build up your skills by going through the practice questions. Here's my response to the review of Adult Learner2 ace_magician. I regret to report that I failed to heed the review. Learn the basics of practical accounting easily and painlessly with Accounting For Dummies 4th Edition which features new information on accounting methods and standards to keep you up to date. With this guide you can avoid accounting fraud, minimize confusion, maximize profits, and make sense of accounting basics with this plain English guide to your accountant's language. Understand how to manage

inventory report income and expenses for public or private hellip insightful and well reasoned hellip rdquo Money Matters October 2004 From the Back Cover Features new information on accounting methods and standards The fun and easy way to create gr
