From Peter Krass : The Book of Investing Wisdom: Classic Writings by Great Stock-Pickers and Legends of Wall Street case against judaism jews and ideas jews and media jews and wars jews and fanatic jews and college subjects jews in history jews and wars port manteaux churns out silly new words when you feed it an idea or two enter a word or two above and youll get back a bunch of portmanteaux created by jamming The Book of Investing Wisdom: Classic Writings by Great Stock-Pickers and Legends of Wall Street:

6 of 6 review helpful Got both CD version and the hardcover Get the hardcover since the audio has only a small fraction of the content By A dad The readings included in the CD were excellent but the vast majority wasn t included This book was way too abridged in the audio preparation For that reason I suggest getting the physical book instead of audio I got both and will confirm that every chapter of this anthology Charles H Dow Benjamin Graham George Soros Peter Lynch Warren Buffett Mario Gabelli and Donald Trump You won t find a seminar or lecture anywhere that boasts a panel quite like this a group of the great stock pickers and market gurus both past and present brought together to instruct you on the art of investing The Book of Investing Wisdom offers you a unique insight into how these professionals and many others achieved financial success through intelligent in com When the stock market booms as it did through most of the 1990s relatively inexperienced investors like to believe there s a new paradigm at work That s why it s refreshing to take a look occasionally at how investors survived previous booms and busts
