honest and unbiased product reviews from The New Machiavelli: The Art of Politics in Business:

7 of 8 review helpful A lively and interesting read from an unlikely source By A Customer Take a classic text on the art of politics add a dash of recent political experience the negative kind and apply the whole lesson to modern business issues voila Lord McAlpine explains it all to you And he doesn't do a bad job of it I write as a former CEO of a NYSE listed company This book is not to be purchased as Ignore the latest buzz about the kinder gentler world of new age team based management It's dog eat dog out there and the sooner you realize it the better The New Machiavelli mines Machiavelli's The Prince for the timeless rules and stratagems that can help today's business rulers survive and prosper in the jungle of greed and treachery that is commerce Alistair McAlpine enriches Machiavelli's text with scenarios from modern business offering keen new insight into com Books offering instruction on how to succeed in business have drawn inspiration from diverse sources Recent titles include Jesus CEO The Kabbalah of Money Zen and the Art of Making a Living and of course Leadership Secrets of
