By Hirsch Organization : Stock Trader's Almanac 2006 thomas bulkowskis successful investment activities allowed him to retire at age 36 he is an internationally known author and trader with 30 years of stock market a limited number of apprentice traders will be selected to be privately mentored by multi millionaire financial trader vince stanzone and those select traders Stock Trader's Almanac 2006:

1 of 1 review helpful Stock Trader Organizers By TedeBear Outstanding book for staying organized and focused Great for staying on top of the market day to day Lots of interesting data on trading patterns records trends Also it

uncanning how many times the book accurately predict bull bear days I know its a 50 50 shot but it certainly beats my average 0 of 0 review helpful Just okay This time tested guide to stock trading published every year since 1968 is a practical investment tool with a wealth of information organized in a calendar format You ll learn about little known market patterns and tendencies that will help you forecast market trends with accuracy and confidence The data in the Almanac is some of the cleanest in the business and its analyses are relied upon by savvy professionals from well know money managers to journalists Jeff Hirsch is following in the great tradition of his father Yale Hirsch with this nonpareil almanac of Wall Street data It s a treasure for investors who want to remember the past as they plan for the future mdash LOUIS RUKEYSER host and commen
