1 of 1 review helpful GREAT By Tracy This is a text book that my professor required But after the semester I decided  
to keep it instead of selling to other toss it away The stuff it teaches is really helpful I usually get C at my writing class  
but after following the instructions in the book and adding some efforts I get an A cheers 0 of 0 review helpful Four  
Stars B Guidelines third edition is an advanced reading and writing text designed specifically to strengthen students  
academic writing Guidelines is a classic reading writing text that teaches academic essay and research writing The  
book contains stimulating cross cultural readings that provide source materials for critical thinking and writing The  
book concludes with a hundred page handbook containing information on how to document sources and wa We have  
yet to see a text with a better approach to using readings to stimulate writing Rather than asking students to emulate  
the style or form of the selections the author uses the readings to stimulate the student to think feel analyze and  
respond
