By Kathleen Allen, Peter Economy : The Complete MBA For Dummies mba math is the 1 mba program math preparation resource we send your transcripts to top business schools as you gain the quantitative skills you need notes on strategic management including industry analysis generic strategies global strategy The Complete MBA For Dummies:

0 of 0 review helpful If you need this book BUT IT NOW they are all great and well written By Brooker Smith I love all the Dummies books I have ever read they are all very well written and the subject is always written in a way to keep you reading Love them all if you need a learn or brush up on anything don t ever be afraid or look down on these books they have much more info than most books the average person will e If you work in a business a nonprofit organization or for the government chances are you rsquo ve considered getting a Masters of Business Administration

MBA degree If you want to get ahead in your organization or just do a better job obtaining an MBA is one of the best ways to do just that But is it the degree that makes a difference or is there something else at work here Although that piece of paper with your name and the words "Masters of Business Adm" with this friendly guide everyone can sample the benefits of an MBA education in a fraction of the time and at much less cost Business a m 5 November 2002 From the Back Cover Includes tips from the world's best bus
