**By Mary Ellen Snodgrass : Coins and Currency: An Historical Encyclopedia** new zealand first issued its own national currency in the early 1930s before then new zealanders used british and australian coins and a range of banknotes your complete guide to collecting chinese coins with tips from industry experts Coins and Currency: An Historical Encyclopedia:

0 of 0 review helpful Five Stars By David Hirt I was surprised how much information was packed into this boo jobk  
Good 0 of 0 review helpful not a coin and currency guide By Frank Devones Lots of varied info but not a guide to use  
for historical coins or currency it has about half of the items i was expecting and almost nothing on weights or values  
at origin its Throughout history money has developed along with society During ancient times currency took many  
forms including such varied items as beaver skins and sea salt blocks As societies made technological and artistic  
advancements their monetary systems and currencies advanced as well Today coins and currency are an important part  
of the historical and archaeological record providing information regarding the culture religion interests and major  
leaders of societie From Booklist Many books have been compiled on the coins and currency of the world providing  
detailed accounts from individual countries to broad discussions of the currencies of the world This encyclopedia has
