online multilingual translation to spanish pronunciation and forum discussions Spanish Business Dictionary:
Multicultural Business Spanish:

20 of 20 review helpful This new edition is as disappointing as the last one By Business Translator I am a business translator that has bought every bilingual English Spanish dictionary for almost 25 years now Some have been adequate some great and some very bad This dictionary is not very useful for the following reasons even though it was recently published it lacks most of the current terms I have look This is the next generation of Business Dictionaries Including modern banking accounting insurance real estate import export taxes business law and computer terms this is an essential resource for those working in multi lingual multi cultural business fields From the Publisher Doing business in Spanish requires a dictionary that is up to date with the 21st century Because terminology differs from Spain to Latin America from Argentina to Mexico businesspeople need a dictionary that provides terms used throughout
