13 of 13 review helpful Great for true crime buffs By Rebecca G I am a Criminal Justice major This is actually a textbook for one of my classes Suffice it to say it s my favorite class This book is fascinating I m a long time student

of serial killers and I would recommend this to anyone who is interested in this topic Truth is stranger than fiction and much more compelling 1 of 1 review helpful Provides information on hundreds of serial murder cases from early history This book includes major serial killers as well as many older cases that have been solved such as the Green River Killer or further investigated like Jack the Ripper and the Zodiac Killer It covers entries and appendixes which pair with more than 30 photographs From Library Journal Arranged alphabetically to include case histories of individual serial killers and essays on general topics this reference work would appear to be the perfect companion to Jay Robert Nash s Encyclopedia of World Crime Criminal Justice Cri
