By Peter Hunn : Starting and Operating Your Own Fm Radio Station: From License Application to Program Management what is low power fm all over the country there are radio stations pumping out high powered content with the power of a light bulb low power fm stations lpfms are the origins of amateur radio can be traced to the late 19th century but amateur radio as practiced today began in the early 20th century the first annual official Starting and Operating Your Own Fm Radio Station: From License Application to Program Management:

5 of 5 review helpful A great step by step guide By Greg Powers I found myself in the same situation as Peter Hunn I wanted to create my own FM radio station to take advantage of a market that was underserved by radio What I quickly found is that there is no book or documentation ANYWHERE explaining how to do it One of the contacts I made in doing my research loaned me a copy of Peter Hunn s book It explained in a Book by Hunn Peter From Library Journal In 1981 Hunn assumed ownership of a small FM radio station As broadcasters are required to do he kept careful

records on the operations of the station and the countless legal and business details involved in such an undertaking
The resul
