3 of 3 review helpful Useful book teaching English as a second language By Phoebe My book came in a great condition brand new It was wrapped in its original film wrap and placed in one of those thick yellow envelopes The book is really helpful if you read through most of it which is what I had to do for my TESOL program It provides lots of examples and ideas of how to approach certain teaching methods or classes The highly acclaimed Practice of English Language Teaching is the essential guide for teachers of English in a wide range of contexts The fifth edition has been revised to reflect new developments in language teaching It explains current pedagogy to teachers who want to access the most relevant ELT practices and incorporate them into their lessons
