By Kelly E. Riddle : The Art of Surveillance the wall street journal reports that swiss authorities have had antiquities dealers ali and hicham aboutaam under surveillance in a separate investigations in jun 08 2017nbsp;with hansel and gretel the park avenue armory once again aims ambitiously and at great expense for participatory public art

but settles instead for The Art of Surveillance:

1 of 1 review helpful Kindle version missing content By Keith Parent There is definitely some good material presented however in every location where there are diagrams mentioned the diagram does not exist Without the diagram to support the authors description of what is taking place most of the message is lost Very disappointed at this and other numerous grammatical errors that indicate to me a lack of editing and pr Surveillance is simply discovering without being discovered and is used to obtain information that cannot be obtained any other way This book is designed for both the novice and experienced investigator The author relies on his more than thirty five years of surveillance experience in outlining the art of surveillance Conducting surveillance correctly is truly an art In this book the methods for all types of surveillance will be outlined as well as how to avoid com
