First Business Plan: A Simple Question and Answer Format Designed to Help You Write Your Own Plan, 5th Edition:

The first business plan is often the most difficult to write. A company may have little or no history and often may not know lender requirements, what to stress and what to avoid. Your First Business Plan simplifies the process by outlining the different parts of a business plan and in an uncomplicated question and answer style helps the business owner create a winning plan for their business. The easy-to-follow chapters show entrepreneurs how to think th
