1 of 1 review helpful An Excellent Overview By Michael A Beitler If you are looking for an overview of organizational learning and knowledge management I recommend this book The editors did a very good job picking a wide range of interesting chapters Michael Beitler Ph D Author of Strategic Organizational Learning This is the state of the art international handbook for a field of inquiry that is still emergent and yet occupies a central position in contemporary management and organization theory Marjorie Lyles at the University of Indiana and Mark Easterby Smith at Lancaster University UK draw together analyses and critical commentary from the leading experts on organizational learning and knowledge management around the world Links are made to existing bodies of theory in th The handbook shows perfectly what has been achieved in the field of KM and OL but also clearly demonstrates the gaps in our research and the need to start a dialogue to fight and unite to build bridges between old and emerging management disciplines O
