3 of 3 review helpful Required reading for clearing credential By Sarah Hwang I definitely appreciated the

organization and the clarity of the author She gave great examples of what a differentiated classroom should look like I didn't feel as though my time was wasted It is very clear and organized in presentation and I would consider it an easy read 5 of 5 review helpful Excell While most books on classroom management focus on keeping kids in their seats and giving good directions here at last is a breakthrough guide that explains how to lead a class that is differentiated to individual students needs The top authority on differentiated instruction Carol Ann Tomlinson teams up with educator and consultant Marcia B Imbeau to outfit you with everything you need to deal with time space materials groups and strategies in ways that balance From the Inside Flap Today's teachers are responsible for a greater variety of learners with a greater diversity of needs than ever before When you add in the ever changing dynamics of technology and current events the complexity of both students and teachers
