**By David Phillips : Maps of the Civil War: The Roads They Took** the american civil war was fought in the united states from 1861 to 1865 the result of a long standing controversy over slavery and states rights war broke out in the civil war the award winning film produced and directed by ken burns was rebroadcast as a newly restored high definition version in september of 2015 Maps of the Civil War: The Roads They Took:

0 of 0 review helpful I was hoping this would help me follow along as By Emily I was hoping this would help me follow along as I listen to the Audible version of Shelby Foote s The Civil War Unfortunately I can t make sense of

most of these maps and there doesn't to be any overview larger type maps that would give me an idea of where a battle field is in a state or any with multiple states on them Forgive me but I don't Draw from the vast resource of the Library of Congress historical maps division this oversize invaluable atlas offers a unique assortment of more than 150 full color and black and white paintings photographs and both specially commissioned and Civil War era maps Through these indispensable images travel the battlefields whose names are indelibly inscribed on the pages of American history Organized by year and by the battles that occurred within each year the
