33 of 34 review helpful useful information By A Customer As a banker I have seen hundreds of small companies struggle with financial information and many fail to get the credit they might otherwise deserve by not being able to present timely and credible information This book helps even the smallest and least financially sophisticated to grasp

the fundamentals of financial control and reporting It is a must read for Streetwise is devoted exclusively to business topics From writing business plans to financing to building Web site traffic these books provide everything ambitious business professionals need Business happens in the real world not the classroom Streetwise recognises this and delivers the goods fast No fluff No wasted time Just cutting edge information managers and small business entrepreneurs need to run their business successfully
