2 of 2 review helpful OK There Are Better Guides Available By Bradley Bevers Picked up this book on a recommendation and it is an average introduction to business principles that you should be practicing Strengths Some very practical material more so than most business books Tests guides charts etc are great Organized well good scope of material Thought the presentation tip Streetwise is devoted exclusively to business topics From writing business plans to financing to building Web site traffic these books provide everything ambitious business professionals need Business happens in the real world not the classroom Streetwise recognises this and delivers the goods fast No fluff

No wasted time Just cutting edge information managers and small business entrepreneurs need to run their business successfully
