**By Deviant Ollam : Practical Lock Picking: A Physical Penetration Tester's Training Guide** the lock picking forum lockpicking101 has been online for 12 years as of this past april with almost 65000 members contributing to over 50000 topics if youre flying anywhere for the labor day holiday nows the time to book prices are only going to go up Practical Lock Picking: A Physical Penetration Tester's Training Guide:

0 of 0 review helpful Opened my eyes to a new world By ShirtGuy I have seen lock picking in movies my whole life and always believed it was one of those movie magic gimmicks but this book clearly shows you how easy it really is to pick most American style locks The diagrams and explanations could be followed by a child After reading this book

I immediately started investigating replacing all the locks in my life with hi Practical Lock Picking A Physical Penetration Tester rsquo s Training Guide introduces the reader to the basic principles of lock picking The book combines both easy to follow step by step lessons and tutorials that will help security conscious people learn how to open most of the locks they may encounter during auditing or assessment work It covers the fundamentals of pin tumbler and wafer locks the basics of picking beginner and advanced training and Winner of the Best Book Bejtlich Read in 2010 Practical Lock Picking PLP is an awesome book I don t provide physical testing services but as a security professional familiar with Deviant s reputation I was curious to read PLP
