By Aaron Brehove : Knack Body Language: Techniques On Interpreting Nonverbal Cues In The World And Workplace (Knack: Make It Easy) explore articles stories and resources for leaders including personal stories recommended reading and recommended videos 1 i celebrate myself and sing myself and what i assume you shall assume for every atom belonging to me as good belongs to you i loafe and invite my soul Knack Body Language: Techniques On Interpreting Nonverbal Cues In The World And Workplace (Knack: Make It Easy):

0 of 0 review helpful Three Stars By Keokike As advertised 2 of 2 review helpful Lots of pictures By D Clark It s only the second book on body language I ve read after Barbara and Allen Pease s book of body language but I think it is more current and contemporary and not as dated as their book Another thing on the plus side for this book it has color photos as well a Get a fresh new perspective on this eternally fascinating subject and learn all about it from head to toe with lots of examples and illustrations ndash including interviewing tips dos and don rsquo ts what your body says about you and how to read the body language of others Sections of the book cover Specific body language broken down into head torso lower body interview techniques where to sit in the board room interpreting body lanugage while dating an Having spent many years leading recruiting functions internally at global organizations as well as a Partner

of an executive recruiting firm I can confidently state that Body Language is a must read for the active job seeker as well as the individual
