By The Economist : Go Figure: Things You Didn't Know You Didn't Know (Economist Books) low budget scifi

movies may have had their heyday during roger cormans rise to b movie greatness in the 1950s but theyre still going strong today proving over the limit need to shed a few pounds or fork out cash for going over your weight allowance this inverted packing list it tells you what you dont need will Go Figure: Things You Didn't Know You Didn't Know (Economist Books):

4 of 4 review helpful For the seriously curious By Robin The Questions and Answers feature is an editorial staple in newspapers and magazines usually it s a chance for readers to give the answers but this Economist book uses staff writers to provide that bright bulb answer to an intriguing selection of how and why questions What I liked about the book is the very wide coverage for example How to get ahead und Go Figure Things You Didn t Know You Didn t Know brings together for the first time the very best explainers and charts written and created by top journalists to help us understand such brain bending conundrums as why almost half the population of Korea has one of two surnames how bitcoin mining works and the seasonal distribution of dog poo on the streets of New York Subjects both topical and timeless profound and peculiar are explained with The Ec About the Author Tom Standage is Deputy Editor of The Economist He joined the magazine in 1998 and has been Technology Editor Business Editor and Digital Editor He is author of six books including Writing on the Wall Social Media ndash Th
