**By Bob de Wit, Ron Meyer : Strategy: Process, Content, Context: An International Perspective** strategy from greek strategia quot;art of troop leader; office of general command generalshipquot; is a high level plan to achieve one or more goals complexity describes the behaviour of a system or model whose components interact in multiple ways and follow local rules meaning there is no reasonable higher Strategy: Process, Content, Context: An International Perspective:

2 of 2 review helpful Looking for one strategy book only please stop here By Sami Ali For my MBA study I bought four good rated strategy books from Luckily that book was suggested as the main text book by our course professor As you can see it has a limited number of reviews in which left me really wondering I believe this is one of the top best

business strategy and business thinking books ever written Amazingly Bob De Wit and Ron Meyer Acirc s innovative and extremely successful strategy text encourages critical and creative strategic thinking By introducing articles from key strategists to present differing perspectives on each strategic issue covered the authors stress and contrast the diversity of views in the subject without endorsing any one approach About the Author Bob de Wit is director of the Strategy Academy an international research and educational institution focusing on strategy leadership and business innovation issues [www.strategy.academy.org](http://www.strategy.academy.org) He is also managing director of Strategy Works an
