0 of 0 review helpful profoundly out of date information By Beverly Caine Anderberg I was so disappointed in this purchase First of all it is not a new edition which was ok since i ordered a used edition but this book was more than fifteen years old Many of the company s listed are no longer in existence and even more of them no longer use

catalogs because they have a website The companies that do still use cata The Catalog of Catalogs V marks the 10th Anniversary of the publication of the most expansive and affordable directory of mail order catalogs available today Business people and consumers alike rely on this bestselling guide s comprehensive listings in 850 distinct categories and descriptions of 13 916 mail order companies to find the products and new business prospects they need From Library Journal Since 1987 The Catalog of Catalogs has served as the only inexpensive semicurrent listing of the catalogs that fill mailboxes across the country plus at least 14 000 more About 15 000 retailers are listed in 900 subject areas among them
