human rights and security implications gil loescher; over two thirds of the worlds refugees Protracted Refugee Situations: Political, Human Rights and Security Implications:

Over two thirds of the world s refugees are struggling to survive in camps and urban communities in remote and insecure parts of the world The vast majority of them have been in exile for many years or even generations This is an affront to the dignity of millions of people deprived of a range of basic human rights and a failure for the international refugee regime In addition protracted refugee situations can be a driving force of ongoing grievances i About the Author Gil Loescher is a visiting professor at the Refugee Studies Centre University of Oxford UK and emeritus professor of political science at the University of Notre Dame James Milner is an assistant professor of
