By Sarah Birch : Full Participation: A Comparative Study of Compulsory Voting the book also considers the feasibility of introducing compulsory voting full participation a comparative study of a comparative study of compulsory voting this is a book length study of compulsory voting about a quarter of all democracies in the contemporary world legally oblige their citizens to vote making this an Full Participation: A Comparative Study of

Compulsory Voting:

Full Participation is the first booklength study of compulsory voting to be published in the English language About a quarter of all democracies legally compel their citizens to vote Many commentators and policymakers in voluntary voting nations see mandatory attendance at the polls as an attractive option to combat declining turnout Yet we know relatively little about this practice beyond its effects on rates of electoral participation
