1 of 1 review helpful Different Style and Feel than Official Guide By albatross2017 I bought this book from after realizing that I had completed all of the passages in the Official Guide and wanted more reading comprehension practice I thought doing a couple passages per day leading up to my exam would be a good idea and that Aristotle s

book would do the trick But after answering questions from several passages I hone The only book you need to ace the GMAT Reading Comprehension Many times better than others The passages are quite close to what you re likely to see on the GMAT in terms of length structure language and number of questions
