4 of 4 review helpful Not in sync with actual GRE questions By Praveen Kumar I purchased this book after reading two reviews and 5 star rating but I was totally disappointed after going thru it 1000 word lists and the strategies elucidated for verbal section are almost same as any other book There is nothing new or special that you will not find in any other PREP book The major issue with this book is in TC a The only book you need to ace the Verbal section of

the New GRE Why is the GRE Verbal Grail revolutionary The GRE Verbal Grail is a path breaking book that takes a structured approach to help you master the Verbal section of the GRE The book spans over 350 pages and is divided into four parts Part I Text Completion Discusses strategies to tackle text completion questions and provides a set of 100 practice questions with detailed explanations I think I wouldn't have been able to do this well on Verbal without the GRE Verbal Grail Every page in the book is worth the existence Akshay Gupta MS Computer Science Candidate at Georgia Tech GRE 337 V 167 Q 170
